Print this page and cut out all topping labels, fold each one and put in a bowl. Print a bingo card (page 1) for each guest. Give each guest a blank bingo card and a pen. Instruct them to fill out the bingo card in random order using the toppings listed at the bottom of the card. The center spot is a free space. Host pulls topping labels out one by one and reads them to the group. Have the guests mark off the topping as it is called out.
First guest with 5 in a row, wins a prize!
