PS 5277 BOX CARS

ADVANCE RESERVATION

Eight prototypical plus four Famous Image paint schemes of the PS 5277 cubic foot boxcars are being announced. Nine of the paint schemes are being offered by InterMountain for the first time. InterMountain has redrawn all the artwork to the original Railbox paint scheme. New research has given the opportunity to enhance accuracy and color selection for these models. Each of the models features laser sharp decoration, metal knuckle couplers, and precision InterMountain metal wheel sets.

GBEC MAXI IV WELL CARS+CONTAINERS

ADVANCE RESERVATION

Nine combinations of the Maxi IV Container Cars and containers are now available for Advance Reservation. Each of the three car sets of Maxi IV's will have a set of six containers packaged in combination with the cars. The containers will be of the same owner within the set but each container will have a unique road number. The three car sets of the Maxi IV can be purchased with or without the containers. The containers are also available in two packs as a separate item. The three unit articulated sets of the Maxi IV feature operating metal knuckle couplers, numerous etched metal details, and precision InterMountain metal wheel sets. All items have laser sharp decoration and are offered with prototypically accurate multiple road numbers.
